

the rules

OBJECT OF THE GAME: The lowest score wins. One point is counted each time the disc is thrown and when a penalty is incurred.

TEE THROWS: Tee throws must be completed within or behind the designated tee area. Remember not to throw if there is anyone ahead.

LIE: The spot where the previous throw has landed. Mark in front of your disc with a mini disc marker or non playing disc in line with the hole.

THROWING ORDER: After teeing off, the player farthest from the hole throws first. The lowest number of throws determines who will tee off first on the next hole.

FAIRWAY THROWS: Your feet cannot pass the lie. A run-up and normal follow through, after release, is allowed.

COMPLETION OF HOLE: A disc that comes to rest in the basket, chains or marked object target constitutes successful completion of that hole.

MANDATORY (MANDO): Designated trees or poles in the fairway that must be passed (usually indicated by arrows).

PUTTING: If less than 10 metres from the target, a player cannot 'fall' in front of their lie after the release. The player must demonstrate full control of balance before advancing towards the target.

OUT OF BOUNDS: Any tarsealed road or path. An out of bounds disc must be played from a point 1 metre in bounds from where the disc went out of bounds.

COURSE COURTESY: Yell "fore" if there is any chance people are in the flight path of your disc. Yield to people on the fairway. Please pick up rubbish and help others.
